DREAM BIG 21

ISHCMC Summer Camp 2021 (Overview)

Our five-week (25 day) Summer Camp is divided into weekly themes. Each theme stands alone as a unique project-based learning experience. Students will interact with the weekly theme through a fun mix of sports, team-building, activities, cooking classes, weekly projects and life-skills.

The goal of each weekly theme is to expose students to unique learning opportunities linked to personal vision and **growth mindset**. With a focus on building **confidence**, these individual learning experiences will help guide students on their larger journey as lifelong learners.

Summer Camp Overview by Weeks

ILLUSION

Week 1 (21 – 25 June)

Illusion is all about perception. This first week will encourage children to look at the world and to see things in different ways.

How we see the world, is how we live in the world!

Do we all see things the same way?
 What is an optical illusion?
 What is reality?
 What is magic?

By taking a closer look at things, a whole new world will be discovered!

Project Focus = **PERCEPTION**

Life Skills Focus = **OPEN MINDEDNESS**

ATTITUDE

Week 2 (28 June – 02 July)

ATTITUDE is all about how we approach life.

How we think is everything!

What are the most important skills children will need to navigate a hi-tech fast changing world? Which personal qualities will give your children a competitive advantage?

Can I choose to be positive?
 Can I choose to be kind?
 Can I choose to be confident?
 Can I choose to be successful?

Children will learn that choice is created through ATTITUDE!

Project Focus = **THINKING SKILLS**

Life Skills Focus = **SELF BELIEF**

A Activities

UP2U teaches children that they are in control of their life, and that all things in life are choice!

- What is choice?
- Can I choose how I feel?
- How do I make good decisions?
- How do my choices affect others?

By examining our personal values and understanding our individual free will we can fully embrace

the power of choice and the effect it has on our lives!

Project Focus = **THINKING SKILLS**
Life Skills Focus = **CRITICAL & CREATIVE THINKING**

- Who are you?
- Who do you want to be?
- What are you really passionate about?
- What do you want to achieve?
- Where do you want to go?
- Do you want to be rich?
- Do you want to be famous?

LIFE by DESIGN will guide children to understand that they possess the power to create the life of their dreams.

Everything is already there; you just have to connect the pieces together!

LS Life Skills

Confidence | Positivity | Critical Thinking | Growth Mindset | Keys for Success

Life skills activity sessions, through engaging fun activities, will connect students to weekly core values. These sessions are designed to have practical understanding and outcomes for children that can be applied to their everyday life.

P Project

Inquiry-based projects are designed in-line with each weekly theme to guide students to investigate their interests related to the topics and guiding questions.

TB Team Building

Teambuilding focuses on boosting confidence and promoting self-esteem. Children are encouraged to learn the true value of collaboration in activities to achieve collective goals through synergy.

S Sport

Put down the iPad, mobile phones, switch off the TV and get active! Sports games and activities for children help develop movement skills, confidence, and their love of being active.

C Cooking

Fun in the kitchen and such a valuable life skill! Children will learn about various baking and cooking styles and techniques where they are introduced to the various ingredients to form foods from sweet to savory (with a focus on healthy options).

A Activities

Activity sessions are art & craft-based activities that link closely to each weekly theme. Using age-appropriate techniques and materials, children will engage in interesting activities designed to challenge their creative thinking skills.
