A: We are aware that the summer heat can drain our student's energy throughout the day and week. Water is always available for students, and they are encouraged to take water breaks approximately every 15-20 minutes. We take the heat, humidity, and the air quality index seriously. **Q: DO YOU HAVE AN INCLUSION POLICY?**

A: We certainly do! Summer Camp strives to provide a safe and supportive environment for each child as they work to discover and grow their personal best with us regardless of race, gender identity, ethnicity or background. Our goal is to create a space where children feel secure enough to expand their comfort zones, try and discover new passions and stretch themselves.

**Q: WHAT IS YOUR SUMMER CAMP DISCIPLINE POLICY?**

A: Summer Camp staff use positive techniques of guidance, including logical or natural consequences applied in problem situations, redirection of children to more acceptable behavior, anticipation of and elimination of potential problems and encouragement of appropriate behavior rather than comparison, competition or criticism.

Consistent and clear rules are established. Staff members encourage children to solve problems rather than imposing solutions and help children to recognize and respect one another's feelings. Our staff encourage pro-social behavior such as cooperation, helping, taking turns and constructive verbal communication to solve problems. The goal is to help children internalize rules and become self-directed in their behavior.
