These themes are thoughtfully selected to be both contemporary and

practical, ensuring that children gain valuable insights and knowledge. Additionally, our program emphasizes the development of mindset, life skills, and social-emotional learning, providing a holistic educational experience that goes beyond language acquisition.

Q: CAN CHILDREN WITH LOWER ENGLISH LEVELS ATTEND THE SUMMER CAMP?

A: Absolutely! Our camps are designed to be inclusive and accommodating for children of all English proficiency levels. We understand that language learning is a journey, and our experienced teaching assistants are dedicated to providing comprehensive support to children with lower English levels. This support extends across all program areas, ensuring that every child has the opportunity to fully engage, learn, and enjoy their camp experience regardless of their current language ability. We strive to create a nurturing environment where language development is a natural part of the camp activities, enabling all children to thrive and develop their English skills at their own pace.

Q: WHAT IS THE TEAM LEADER TO CHILD RATIO AT SUMMER CAMP?

A: In Summer Camp we always have plenty of staff closely supervising your children to ensure the safety of the students and the quality of the program.

For Children 5 to 11yrs, we aim to maintain an in-group ratio of approximately 6-8:1. For our older children (12 to 15yrs) the ratio is 8-10:1. Depending on the activity at hand, the ratio will vary based on the required staff level and supervision required.

Q: WHAT PRECAUTIONS DO YOU TAKE TO HANDLE THE SUMMER HEAT?

A: We are aware that the summer heat can drain our student’s energy throughout the day and week. Water is always available for students, and they are encouraged to take water breaks approximately every 15-20 minutes. We take the heat, the humidity index, and the air quality index seriously. Daily, the on-site Manager will make decisions relating to the air quality and the weather with student health and safety in mind.

Q: DO YOU HAVE AN INCLUSION POLICY?

A: We certainly do! Summer Camp strives to provide a safe and supportive environment for each child as they work to discover and grow their personal best with us regardless of race, gender identity, ethnicity, or background. Our goal is to create a space where children feel secure enough to expand their comfort zones, try and discover new passions and stretch themselves.

Q: WHAT IS YOUR SUMMER CAMP DISCIPLINE POLICY?

A: Summer Camp staff use positive techniques of guidance, including logical or natural consequences applied in problem situations, redirection of children to more acceptable behavior, anticipation of and elimination of potential problems and encouragement of appropriate behavior rather than comparison, competition, or criticism.

Consistent and clear rules are established. Staff members encourage children to solve problems rather than imposing solutions and help children to recognize and respect one another’s feelings. Our staff encourage pro-social behavior such as cooperation, helping, taking turns and constructive verbal communication to solve problems. The goal is to help children internalize rules and become self-directed in their behavior.
